OUR OBJECTIVES

relationship

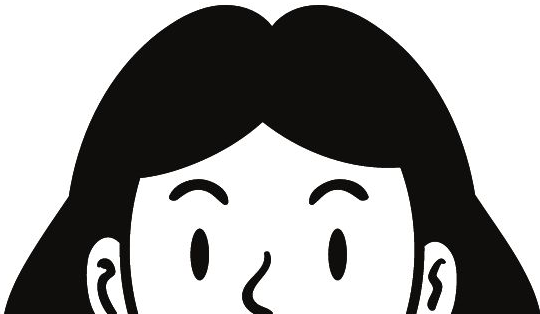

Relationship between the social movement and the representation of women in the film industry.

Roles

How the roles of women in the film industry would affect the factors such as budget and ratings?

Bechdel test

How the criteria in Bechdel test would affects the representation of women in film industry?

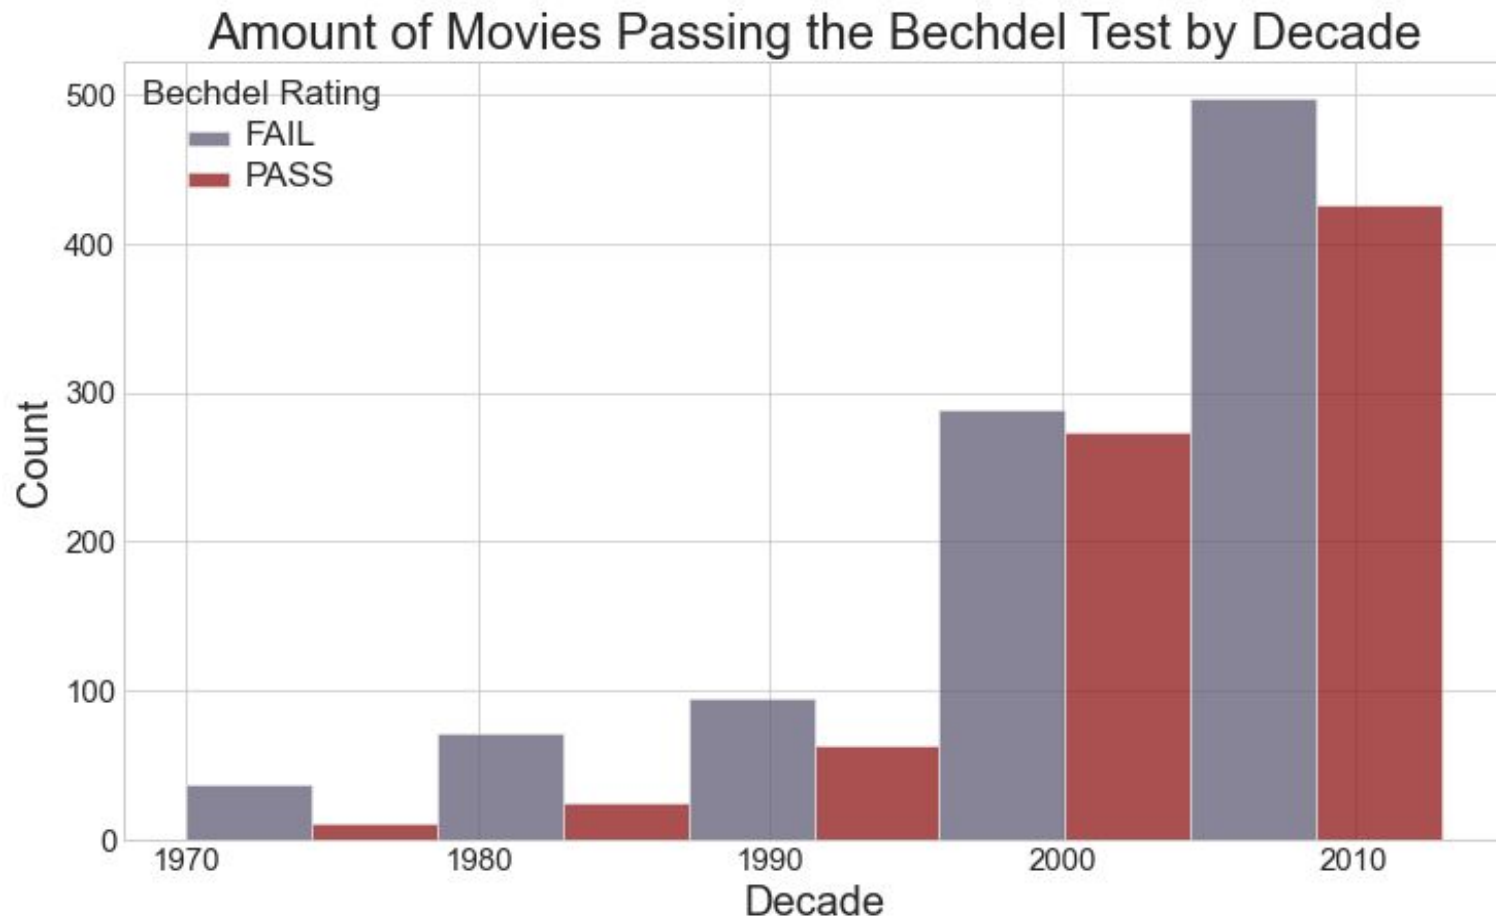

What is the Bechdel Test?

- The movie should have at least two women in it.
- The women need to talk to each other
- The topic needs to be about something besides a man.

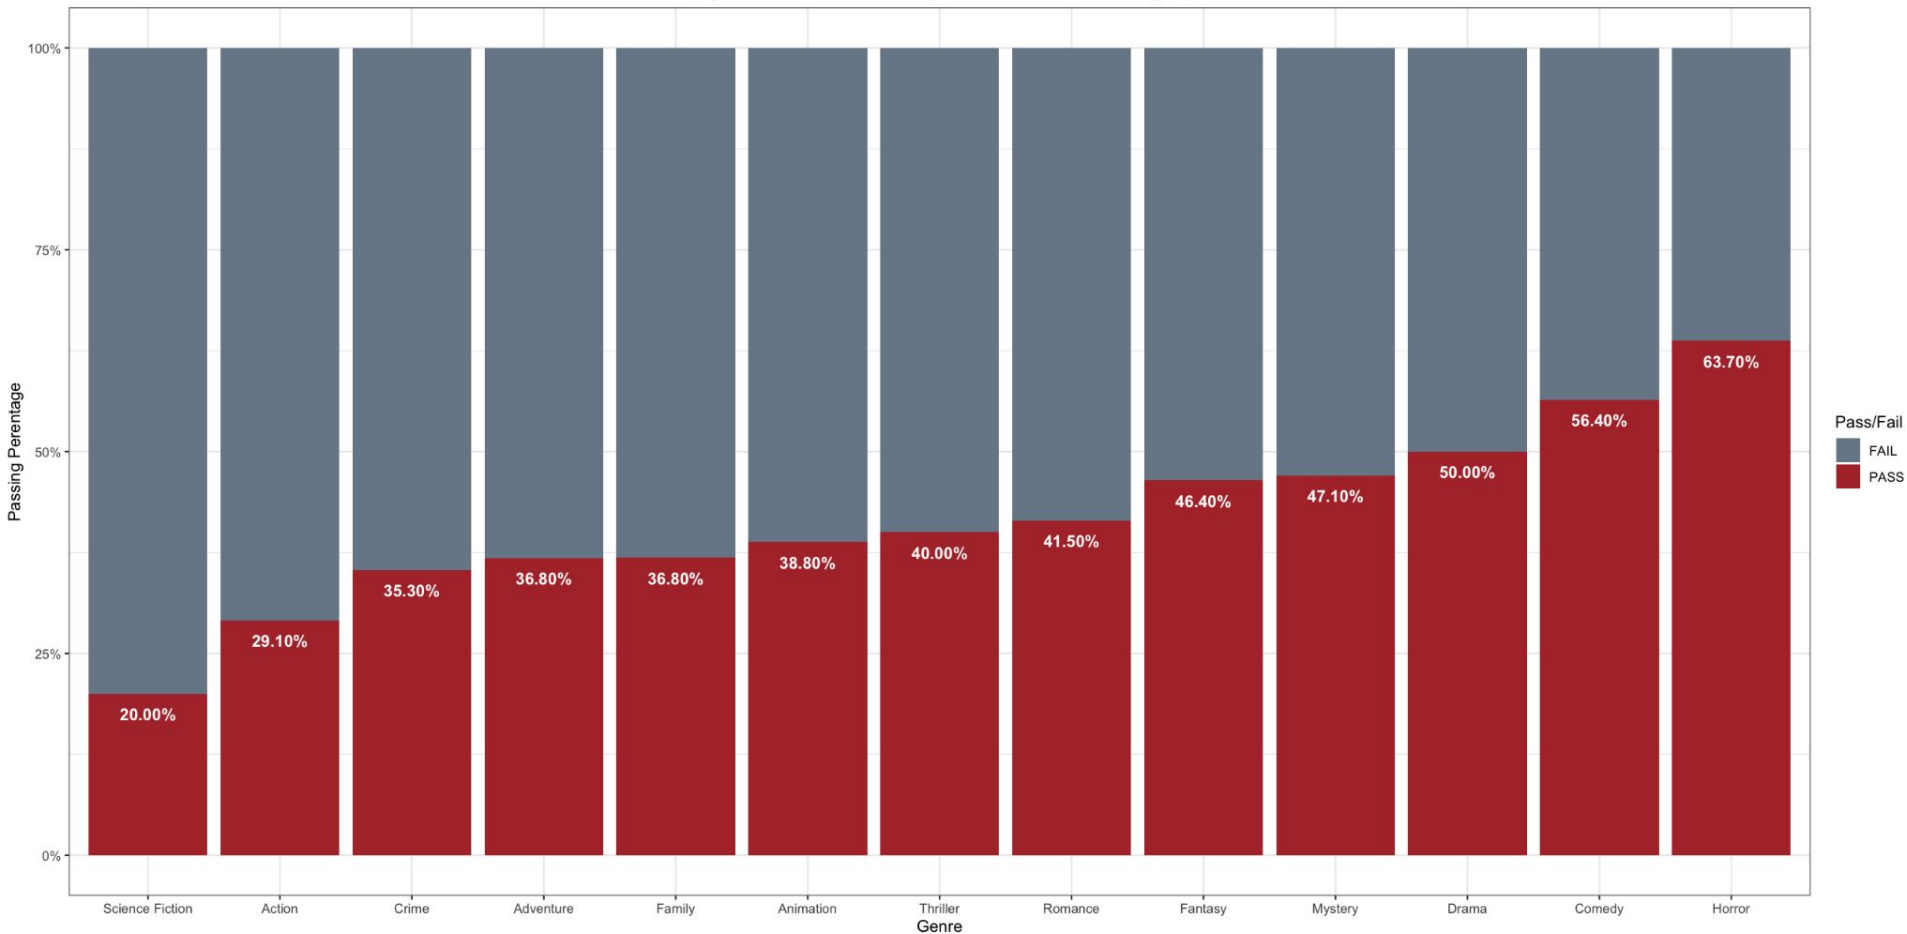

Seems pretty easy, right?

Not that easy

Percentage of Movies Passing the Bechdel Test By Genre

Of the 1777 movies analyzed between 1970 and 2013, horror movies were most likely to pass the Bechdel Test

THANK YOU FOR LISTENING
